Judge Robert Schieber joins JDM

Jay Daugherty Mediation & Arbitration is pleased to announce that the Honorable Robert Schieber has joined the firm effective June 1, 2017, after 17 years on the bench with the Jackson County Circuit Court. Judge Schieber will dedicate his full-time practice to mediation, arbitration and special master services while working from our recently expanded ADR Conference Center on the Plaza.

Judge Schieber has presided over 150 jury trials during the past decade including many complex cases such as the JJ's explosion litigation and the products liability case involving two separate pelvic mesh products that received national attention. He has the distinction of trying the most jury trials in the area's largest trial court over the last 10 years. In addition to his extensive judicial experience and training, Judge Schieber has studied mediation techniques at the National Judicial College and through the University of Missouri School of Law Center for Dispute Resolution.
